### WIS 32 culvert replacement scheduled in Oneida County

A culvert replacement on WIS 32, between Spirit Lake and Laurel Lake in Three Lakes, is scheduled to begin on Monday, May 17, 2021.

Pitlik and Wick, Inc., is the prime contractor for the \$11,1487 project. Crews will remove and replace the culvert between Spirit Lake and Laurel Lake.

Starting May 17, WIS 32 will be closed to through traffic at the project location for up to five days and detoured to US 8 and US 45. Local access will be maintained on both sides of WIS 32 up to the project location.

Construction is scheduled for completion by May 28, 2021. The schedule is dependent on favorable weather conditions and construction progress.
